

The Australian Industry Group (Ai Group) is Australia's peak industry association and has been acting on behalf of business for more than 140 years. Along with our affiliates, we represent the interests of more than 60,000 businesses employing more than 1 million staff. Our longstanding involvement with diverse industry sectors including manufacturing, construction, transport, labour hire, mining services, defence, airlines, health, aged care and ICT means we are genuinely representative of Australian industry.

PEACE OF MIND

Providing you the best personalised help and advice to keep your business compliant and safe.

SUPPORT

Giving you access to workforce training, events, networking and online resources that all help keep your business on top.

INFLUENCE AND POLICY

Ensuring you have a say in our pursuit of positive changes to policy and government programs that will help your business be more effective and competitive.

"Ai Group gives us personalised service; they take the time to learn our business issues which enables them to give us the right advice, first time, with everything from workplace issues to business reviews. We are proud to have been members for 39 years."

JAMIE BAENSCH

GENERAL MANAGER, AIR RADIATORS

■ ESSENTIAL MEMBER SERVICES

Ai Group's focus is to minimise risk and give you peace of mind through:

- providing unlimited access to our workplace infoline;
- keeping you compliant with changes to modern awards;
- delivering a range of crucial business tools and resources;
- alerting you to changes in legislation;
- offering a range of conferences, events and networking opportunities; and
- access to government programs and funding.

■ POLICY AND INFLUENCE

Our advocacy and influence shapes policy reform in many areas including:

- flexible workplace laws;
- tax reform;
- reductions in red and green tape; and
- lower energy costs.

■ CONSULTING SERVICES

Your Ai Group membership gives you access, at special member rates, to our expert team that provides:

- HR consulting;
- workers' compensation consulting;
- representation in all Fair Work Commission matters without the risk of being excluded;
- webcasts, online events and sector/network briefings;
- energy and environment risk minimisation; and
- sustainable strategic solutions for safety and workers' compensation.

■ WORKPLACE LAWYERS

Our national team of legal experts provides the very best and most cost-effective advice and representation relating to:

- employment law;
- industrial relations;
- strategic risk management; and
- safety legislation and workers' compensation.

■ WORKFORCE DEVELOPMENT

Access to professional development and work-based courses at special member rates including:

- workplace training in safety, IR and HR;
- leadership and management skills; and
- training and placement of apprentices.

We have worked with Ai Group for over 15 years and trust the reliable service that they provide. We participate in Eastern Suburbs HR community meetings, which are great for up-to-date information and networking."

SCOTT O'HARA

DIRECTOR, HUMAN RESOURCES & QUALITY MANAGEMENT, GIESECKE & DEVRIENT AUSTRALASIA P/L

"Our business has held membership with Ai Group for a few years now and during this period we have found their service to be outstanding. We are very satisfied with their overall service and would highly recommend Ai Group to other businesses."

SONJA BARTLETT

NATIONAL HR MANAGER,
BJ BALL GROUP
